

PHOENIX WATERCOLOUR PROFESSIONAL

Phoenix Professional Watercolour, including 57 colours half pan and 87 colours tube, provides exceptionally broad colour spectrum with highest quality. More than 65% of them are single pigments. The high concentration of colour powders shows brilliant and intensely colours, plus high-quality colouring power, allowing artists to easily create artworks.

PHOENIX WATERCOLOUR PROFESSIONAL

INFORMATIVE LABELS

Interpreting the professional terms information on the label to facilitate colour selection

Conforms to ASTM D 4236

Phoenix Professional Watercolour, across the entire range, has achieved AP certification. AP certification is awarded by the Art & Creative Materials Institute (ACMI) in the United States and ensures the safety of art materials. With AP certified watercolour pigments, you can use them with confidence, without worrying about the presence of harmful substances or any health risks.
