

The Global Recycled Standard is an international, voluntary certification that addresses complete product standards. It focuses on supply chain control of product recycling/regeneration, traceability, social responsibility and environmental requirements, as well as compliance with chemical restrictions. The certification is conducted by third-party certification bodies.

...

# 1 REDUCE

Reduce the demand for natural resources in the production of cotton products and minimize the generation of PET waste and pollutants.

# 2 REUSE

Extend the lifespan of cotton, PET, and other products through reuse and reduce the generation of waste.

# 3 RECYCLE

Transform recycled materials into renewable raw materials to reduce the negative impact of waste on the environment.

# R-PET CANVAS ARTIST

Phoenix r-pet canvas which is made from 100% recycled plastic bottles. This canvas offers excellent environmental performance, as it helps reduce the number of discarded plastic bottles and minimizes resource waste and environmental pollution.

Phoenix r-pet canvas has been certified by the Global Recycled Standard (GRS).By using recycled plastic bottles, we contribute to a more sustainable and eco-friendly approach to art supplies.

The canvas has excellent physical properties, with outstanding strength and durability. The canvas texture is clear and smooth, providing a strong adhesive capacity for pigments. It is well-suited for oil and acrylic painting.

# REAL CANVAS ARTBOARD PROFESSIONAL

## Canvas surface

Phoenix real canvas artboard is specifically designed for professional artists who appreciate the texture of canvas.The r-pet canvas helps minimize plastic waste. It is adhered to a high-quality, warp-resistant birch wood panel, and its special characteristics prevent any shrinking when it comes into contact with paints.

The frame is constructed using high-quality pine wood, adding aesthetic appeal while providing maximum support to protect your artwork from deformation or damage.

## Sturdy frame

## Multiple purpose

Phoenix real canvas artboard is suitable for various mixed media art creations, including acrylic and oil paintings. The birch wood panel with r-pet canvas provides a stable surface for your artwork, allowing you to unleash creativity.
