

## BRUSHLESS OIL PAINTING MASTERY

Create authentic oil works directly on canvas using just water. The soluble formula eliminates brush dependency while maintaining rich pigment intensity, perfect for spontaneous artists seeking fluid creativity.

## DUAL-MEDIUM VERSATILITY

Experience oil paint's creamy layering capacity alongside watercolor's dreamy washes. High-viscosity sticks build dimensional impasto, yet blend smoothly with wet techniques and clean up effortlessly like water-based mediums.

## SKILL-INCLUSIVE PERFORMANCE

From delicate underpainting to bold expressive strokes, accommodates diverse approaches. Beginners achieve professional blending effects effortlessly; experts exploit full viscosity control for mixed-media experimentation.

## EDGY TEXTURE EXPLORATION

Unleash unconventional surfaces using palette knives. Scrape, carve, or layer waxy pigments into tactile landscapes – transform solid sticks into granular finishes or glossy dimensional reliefs for gallery-worthy depth.

# PHOENIX WATERSOLUBLE OIL PAINT STICK

ARTIST

PHOENIX Watersoluble Oil Paint Sticks combine quality pigments, refined linseed oil, and natural white beeswax into a convenient stick form, offering high colouring and covering potential, excellent brightness and lightfastness. Compatible with water-soluble oil paints and mediums, they allow for easy clean-up with water and create less mess.

• PHOENIX Watersoluble Oil Paint Sticks promote a more intuitive and direct approach to oil painting, featuring smooth application. Add texture and sgraffito effects using a painting knife. Colours can be blended with a colorless blending stick or a wet brush.  
• This product is designed for artists of all skill levels.
