

PHOENIX

WATERSOLUBLE OIL PAINT STICK

1.25 FL OZ / 37ml EACH

PHOENIX Water Soluble Oil Paint Sticks provide a more intuitive and direct approach to oil painting, featuring smooth application. Texture and sgraffito effects can be achieved using a painting knife. Colours may be blended with a colorless blending stick or a wet brush.

PHOENIX

WATERSOLUBLE OIL PAINT STICK

ARTIST

OIL PAINT, EVOLVED

True oil colour that works with your traditional mediums, yet dissolves in water for effortless blending. Layer with a brush, blend with water, or spread colour quickly with the stick itself—all with easier portability and setup than classic oils.

WATER-SOLUBLE, PRO-RESULTS

Achieve oil-like richness and watercolour-like washes from one medium. Use wet techniques for soft fog, mist, and gradient effects without harsh edges, or build in traditional glazes and textures—all with simple water cleanup.

PAINT ANYWHERE, FINISH IN STUDIO

Perfect for outdoor sketching and colour studies where space and time are limited. Lay down large areas, block in compositions, and render details rapidly—then refine later in the studio with oils or water for seamless continuity.

TEXTURE BEYOND THE BRUSH

Create dimensional impasto and sculptural surfaces directly with the stick or a palette knife. Cut, layer, and carve into wax-like pigment for thick reliefs, gritty finishes, or glossy details—all with stronger hold and easier shaping than liquid paint.

PHOENIX ARTIST WATER SOLUBLE OIL PAINT STICK

PHOENIX Water Soluble Oil Paint Sticks combine quality pigments, refined linseed oil, and natural white beeswax into a convenient stick form, offering high colouring and covering potential, excellent brightness and lightfastness. Compatible with water-soluble oil paints and mediums, they allow for easy clean-up with water and create less mess.

SCAN TO WATCH PRODUCT VIDEO

- a. Before use, remove the dried surface film with a painting knife.
- b. Tear along the perforated line on the label to expose the desired length, ensuring your hands stay clean.
- c. Compatible with traditional oil paints and mediums.
- d. Use the Colourless Blender Stick for achieving smooth, natural colour transitions and adjusting transparency.
- e. Excellent water-solubility, mix with water to achieve refined watercolour effects.

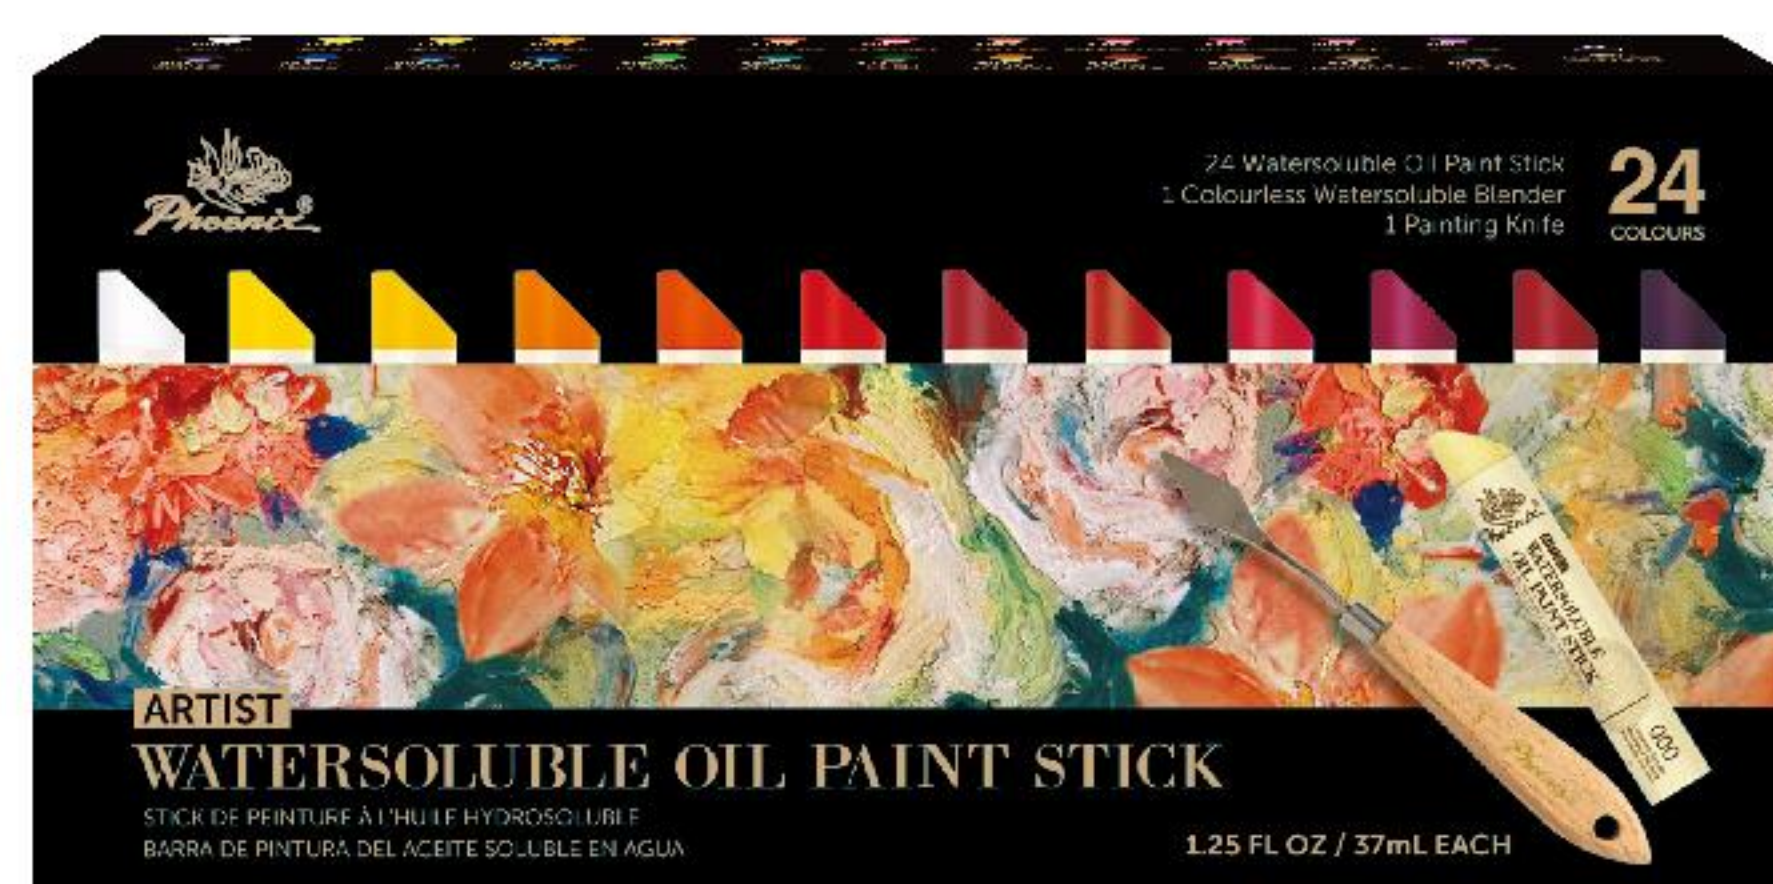

CORE STANDARD SETS

1 PWOS37

2 PWOS06S37

3 PWOS2437B

4 PWOS51S37

1 SINGLE PACK

Each stick comes in a protective tube, 1.25oz (37ml) per stick, available in 49 colours.

2 6-COLOUR SET

A compact introduction to water-soluble oil painting. Includes essential colors for basic blending and technique exploration.
