

COMPANY ADVANTAGES

01/ GLOBAL SUPPLY CHAIN

Established production base in Cambodia, ensuring a stable and efficient supply chain.

02/ LOCAL SUPPLY CHAIN

From canvas printing to pigment and brush production, we handle every step, offering significant cost advantages while maintaining product consistency.

03/ INTERNATIONAL DESIGN TEAMS

Our design center features both local and international designers, ensuring fresh, trend-forward designs for every market.

04/ HIGH PRODUCTION CAPACITY

With a large-scale facility, we offer reliable production and flexible order sizes, meeting both bulk orders and small-batch custom requests.

CUSTOMIZATION FLEXIBILITY

Standardized DMC Colours

Diamond painting customized with drills curated from the national DMC library, featuring 447 core standardized colours. We can fulfill any custom orders and new designs, allowing distributors to cater to niche market needs.

Flexible Production

We offer monthly new designs and custom orders to meet the unique needs of different markets.

Variety of Custom Kits

We offer custom-designed kits to cater to different tastes and market demands. Whether for personal use or bulk orders, we can adjust the kit contents and packaging to meet distributor needs.

AUREUO[®]
CREATIVITY MATTERS

01 SHINY & DURABLE

Each diamond is carefully chosen to ensure it is flawless and retains its shine over time. Whether for home decor or as a gift, the sparkling effect of the diamond painting will undoubtedly become the focal point, perfectly showcasing your taste and unique artistic flair.

02 PRECISION TOOLS

Each kit comes with essential tools such as a diamond sticky pen, tweezers, adhesive clays, and a plastic tray for organizing diamonds. These ensure an accurate and effortless diamond application process.

03 UNIQUE AND IMMERSIVE EXPERIENCE

Diamond painting is known for its relaxing and immersive nature. The fine, sparkling diamonds create stunning visual effects, turning every painting into a dazzling piece of art.
