

COMPANY ADVANTAGES

01/ GLOBAL SUPPLY CHAIN

Established production base in Cambodia, ensuring a stable and efficient supply chain.

02/ LOCAL SUPPLY CHAIN

From canvas printing to paint and brush production, we handle every step, offering significant cost advantages while maintaining product consistency.

03/ INTERNATIONAL DESIGN TEAMS

Our design center features both local and international designers, ensuring fresh, trend-forward designs for every market.

04/ HIGH PRODUCTION CAPACITY

With a large-scale facility, we offer reliable production and flexible order sizes, meeting both bulk orders and small-batch custom requests.

CUSTOMIZATION FLEXIBILITY

2000+ Colour Range

With over 2000 colours in stock, we can fulfill small custom orders and new designs, allowing distributors to cater to niche market needs.

Flexible Production

We offer monthly new designs and custom orders to meet the unique needs of different markets.

Variety of Custom Kits

We offer custom-designed kits to cater to different tastes and market demands. Whether for personal use or bulk orders, we can adjust the kit contents and packaging to meet distributor needs.

01 HIGH-QUALITY MATERIALS

Pre-printed stretched canvases, smooth-flow acrylic paints, and premium-quality brushes ensure a satisfying painting experience with no visible brush marks.

03 BOLD COLOURS & EASY COVERAGE

Rich, highly pigmented acrylic paints provide vibrant, long-lasting results on canvas, with smooth, even coverage due to self-leveling paint technology.

02 BEGINNER FRIENDLY

No drawing skills required—simply match the numbers with the colours to create stunning

04 DUAL CANVAS SELECTION

Offers two canvas styles for different preferences. A pale-colour canvas with pre-printed soft tones for easier painting and clearer colour recognition, and a black-and-white line canvas with clean outlines that guide colouring and deliver a rewarding from-scratch painting experience.
